

CARNIVAL GLASS SOCIETY CONTACT US PRIVACY NOTICE

We appreciate your viewing our website and respect your privacy in doing so. We welcome any questions that you may ask us through our 'Contact Us' page and we will endeavour to provide you with a response as soon as we are able. Such communications will be as a response and no data base will be held or compiled by us as a consequence of such exchanges.

We only retain the information which you provide for long enough to ensure that your question has been satisfactorily answered or to provide any ongoing support which you might need as we process your request.

We may, from time to time, look at the general nature of questions that come through to the Carnival Glass Society so we can tailor the services which we provide. This will be done in a purely anonymised way without any personal data being retained.

If you 'contact us' with a question then please be assured that your information will not be passed to any third party without your permission. If you have any questions about how we handle your information then please 'contact us' on pedenmore@gmail.com.
